

TraumHaus ElsterPark

Barrier-free accommodation in the „TraumHaus“

The modern hotel „Traumhaus“ fits harmonically into the lovely river landscape.

It is barrier-free and characterized by a comfortable not really everyday architecture. Double and family rooms are generously designed retreats and offer all guests freedom of movement, security and independence.

Double and family rooms are furnished wheelchair-accessibly. The barrier-free offer beds that can be equipped with nursing-bed-supplements.

We are happy to be able to offer you these great possibilities. Be our guest!

ErlebnisWelt ElsterPark

Outdoor and activity offers

There are many adventure offers for groups, school classes, child's birthdays celebrations in the outdoor area.

Various activity offers directly in nature at the embankment of the river „Schwarze Elster“.

The difficulty level of nature projects, e.g. the building of an insect hotel or miniature rafts made of natural materials or the climbing in the high rope course are always adapted to the individual performance opportunities.

Offers accompanied by outdoor education

By doing archery, taking part in GPS, bike, e-bike & canoe tours children and adults experience nature, themselves and exercise their team spirit.

Experience nature
Outdoor-adventures are fun for friends or the whole family

Canoes, the high rope course, e-bikes and more...
By water, by land and in dizzy heights – everybody will be excited by our canoes, a bike or GPS tour or a climbing adventure in our high rope course.
